To Whom It May Concern,

Letter of Assessment

Pursuant to our agreement with Red Guava Pty Ltd, elttam conducted a security assessment titled 2024 Security Assessment (EC-RG-004) which was completed between the dates 5-Feb-2024 to 19-Feb-2024.

The scope for this assessment included the Cliniko App, Data Imports, and Cliniko Control, with a priority placed on assessing data transfers, CSP and enabled online payments functionality. Using a white-box approach, the objective of this security assessment was to identify design and implementation security vulnerabilities in the applications, and to provide technical remediation advice and guidance for their security strategy and Secure Development Lifecycle.

The engagement commenced with a detailed briefing and walk-through by Red Guava Pty Ltd. The engagement was wrapped up with a close-down meeting and a report was issued to Red Guava Pty Ltd.

elttam is an independent security company providing research-driven security assessment services to the Fortune 500, global financial institutions, leading technology companies, Australian Federal Government, and up and coming technology start-ups. We combine pragmatism and deep technical insight to help our customers secure their most important assets.

Sincerely,

Matt Jones
